

# A STEP BY STEP GUIDE TO NAVIGATE BOBBY MCKEY'S

1. Bring valid ID to prove you are 21.
2. Inform your guests (perhaps by forwarding this handy guide) that the reservation is in your name, and have everyone arrive by 8 pm to be seated before the show begins. *Casual dress, but no sleeveless shirts for men.*
3. Use the napkins on your table to submit song requests to the musicians.  
-tipping the performers is greatly appreciated-
4. Don't be shy when you need a drink or anything else. If you are shy, just press the button on your table tent. It turns on a red light to let our staff know you need something. *Guests sitting on the rail near either bar have easy access to bartenders for service.*
5. #bobbymckkeys on social media and go to [www.bobbymckkeys.com](http://www.bobbymckkeys.com) to see if your posts made our "shout wall", and to see photos from this weekend.

acceptable...

a great attitude, cupcakes, a cake, cameras, your best friends, singing.

unacceptable...

a bad attitude, balloons, bjork song requests, outside beverages/alcohol.

Once navigated - sit back and enjoy the time of your life.
